

Flood Claims Services

Parker Loss Consultants (PLC) is a national provider of flood services for NFIP, WYOs, and flood servicing vendors. Our seasoned flood adjusters have handled losses for each certification category as set forth by the National Flood Insurance Program (NFIP).

Claim Types

- Private Flood Claims
- Excess Flood Claims
- NFIP Direct Flood Claims

Certified for:

- Residential Claims
- Commercial Claims
- Large-Loss Claims

Dedicated Teams for:

- Large Commercial
- Condominium (RCBAP)
- Flood Expert Consulting
- Flood Damage Determination
- Flood Estimate Review & Analysis
- FEMA Flood Bulletins
- Flood Policy Review

Our staff consists of permanent, full-time staff examiners and quality assurance specialists that work in tandem with a team of experienced, highly trained and certified flood field adjusters located across all 50 states.
